30 April 1964

MEMORANDUM FOR: Director of Logistics

SUBJECT : [REDACTED] Contract 25X1A2d2

25X1A2d2

1. Attached is a break-out of the number of equipments needed to reconfigure the [REDACTED] aircraft and provide adequate bench mock-up and spares. While the availability of funds for three aircraft is not assured, it is requested that contracts be negotiated to provide adequate equipments for three aircrafts with the proviso that those in excess of two aircraft can be cancelled by a date to be established with the contractor.

2. In those instances where the attachments is not complete the Project Officer will provide this information as soon as it can be determined.
